

	De crip ion	
What are T Levels?	T Levels were introduced by the government and are a full-time two-year Level 3 programme of study that provides students with the technical knowledge and practical skills valued by industry.	
Who are T Levels for?	T Levels are aimed at 16-to-19-year-old students who want to continue their post-16 technical education and gain knowledge and skills to progress/T17s are 6al -jvndy19a Exa67a prac8.390 -1.2.Tdmav9? (T Levels25their tr)18.isc8.397rac8.39?	

How is the Technical Qualification in the T Level assessed?	The core component consists of an externally set and externally marked written exam (two dated papers consisting of a mix of short, structured, and challenging extended response questions). A substantial employer-set project (ESP) that is externally set and externally marked. The ESP is a timed controlled assessment consisting of a well defined industry style brief. The brief will be complex and non-routine, and will require the use of relevant maths, English, and digital skills. The core is graded A*-E the same as an A level. The occupational specialism (OS) is a substantial synoptic assignment made up of a series of tasks assessing application of occupational knowledge and skills. OSs are externally set, internally marked, and externally moderated; graded Pass, Merit, and Distinction.																																			
How are T Levels graded?	Students who complete their T Level will receive an overall grade of Pass, Merit, Distinction or Distinction*. They will get a nationally recognised certificate which will show their overall grade and a breakdown of what they have achieved.
